Sick of Subway Tile? Here Are 10 Super-Gorgeous Alternatives

By GRACE BEULEY HUNT | MAR. 13, 2019

Don't get us wrong, we'll always love a classic [subway tile](#). But there *are* some more exciting options to consider, guys. Zellige, cement, mosaic: Yep, there's a whole wide world of dazzling tile options out there just waiting for you to discover. We asked a few industry insiders to share the jazziest subway alternatives in their repertoire.

STAR AND CROSS

Love a global influence? Look no further than star and cross tiles, which nod subtly to Spanish and Moroccan architecture. While fun and bold, “in a softer color combination, they really add movement without *too* much distraction,” says designer [Courtney Thomas](#).
