The door is navy on the other side, too (Novelty Navy by Dunn-Edwards).

solids & stripes

Inspired by the Laguna Beach, CA, location, designer Courtney Thomas layered on navy in the entry, including a console from Anthropologie and grass cloth wallpaper. "A striped piece of furniture gives a playful feel," she says—although Penny, the Cavalier King Charles spaniel, clearly finds it relaxing. Woven baskets by Serena & Lily and a banana leaf mirror boost the chill charm.
